

My office is located in Viale Morgagni 48/a (in the area of main hospital in Florence: Careggi) It can be reached by bus (n. 14) from the train station SMN. The stop in viale Morgagni is near the **polo didattico** (picture below):

On the opposite side of the street you can easily recognize the towers for student housing (picture below):

Follow the street for about 50 mt staying on the same side. Once you find the entrance for n. 48, turn around the main building and reach a court where you can see a smaller building (picture) that hosts the student career services of the Science school (**segreteria della facoltà di Scienze**). Go up the stairs and ring the door bell on the small outside building (my office's window is the one on the left in the picture below.).
